

Canadian Public Health Association 2012 Annual Conference

The CPHA is currently sending out prospectuses for sponsorship and exhibits for our upcoming 2012 Annual Conference in Edmonton, Alberta. I have sent information to Professors Zitner and Nestman, and wondered if you might be able to post a link on the Faculty's web page?

Ideally we would like to invite all students, faculty and members of the Science/Medical community to participate in our conference. The theme of next year's conference is "Public health in Canada: Creating and Sustaining Healthy Environments" If you can help in any way please let me know. For more information, please refer to <http://www.cpha.ca/en/conferences/conf2012.aspx>

Sincerely,

Barbara Ann Vocisano

Business and Fund Development Coordinator
Canadian Public Health Association
